2. Seller must be informed immediately of the initial veterinarian examination (as stated in clause 1.) results by email or fax. Failure to do so will render this guarantee null and void.

3. If the initial examination (as stated in clause 1.) indicates that at the time of sale, the puppy was unfit for purchase due to illness, disease, or congenital disorder, purchaser must return the puppy to MAUIEXPO KENNEL for an exchange of equivalent value. Shipping costs are the responsibility of purchaser.

4. Seller guarantees the puppy against fatal viruses for seventy-two (72) hours after arrival. These include distemper, Parvo, and Corona Virus. Not included are Coccidia, Giardia and Kennel Cough, the latter of which is common in pups that are shipped, and is usually caused by bacterial exposure. Kennel Cough is self limiting and, like the common cold, must run its course. Full recovery is expected, and Kennel Cough alone is not life-threatening.

5. The puppy is guaranteed until one (1) year of age against fatal and life-altering congenital and genetic diseases that adversely affect the health of the animal. Such ailments include Severe Hip Dysplasia (which hampers the dogs movement and natural gait, and requires surgery to correct), and kidney, heart, pancreas, spine, and liver problems of a severe and life-threatening or life-altering nature. Certain disorders resultant from environmental factors, including skin allergies, thyroid dysfunction, Demodetic mange, and other autoimmune disorders, are not covered by this guarantee.
